# PROGRAMS

## EDUCATION - STEAM

The dream catchers educational program focuses on innovative approaches to problem-solving. Applying and integrating science, technology, engineering, arts, and mathematical concepts in a supportive environment, prepares students to be competitive candidates and critical thinkers.

## CHARACTER BUILDING

*"Potential without character is a train wreck ready to happen" -John P. Lakin*

## OUR MISSION

The organization teaches and shows the importance of being your best self. DREAM CATCHERS is about having courage, empowerment, and overcoming your circumstances to achieve greater. Our mission is to teach and show children by example that *"DREAMERS CAN Catch Their DREAMS!"*

The core of this curricular focuses on five essential character values:

- Self-Discipline
- Forgiveness
- Resilience
- Trust worthiness
- Generosity

## JOB TRAINING

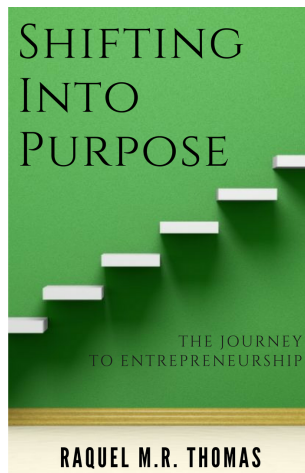

For students who are graduating from high school and have decided not to attend a traditional college or university, trade certification assistance is available. Students may receive assistance with the application process, job readiness training and attend seminars on professional etiquette and appearance.

## YOUNG BOSSES ACADEMY

Young bosses academy is a rigorous five week entrepreneurial curriculum design for schools and organizations and online learners that teaches foundational concepts in business and entrepreneurship. Participants utilize an interactive workbook created by founder, Raquel M.R. Thomas, "Shifting Into Purpose, The Journey to Entrepreneurship," through the for-profit corporation, Dream Catchers Corporation.

## YOUNG BOSSES SUMMER CAMP

Young bosses summer camp is a five day camp that introduces students to business and entrepreneurship fundamentals. The curriculum is based on the workbook, "Shifting Into Purpose, The Journey to Entrepreneurship."

## THINK FAST

Annual youth & parent community event. Workshops covering our core programs and sporting event.

## TEEN SUMMIT WITH A CAUSE

Teen Summit with a CAUSE was birthed and created to give our teens an open forum and the space to talk about current issues in our communities.

Our goal is to talk through concerns and possible future issues that may occur along their journey. It is our duty to pour back into our communities by providing our youth the platform they need to openly communicate their feelings.

## OUR VISION

Our vision is to give children the guidance needed when there is no direction. To provide a foundation that enables positivity and structure. We will give a helping hand and teach children the power of Courage, being Empowered, and how to Overcome (CEO) despite their circumstances. We help with building self-esteem and being proud of who you are.
